As Licensee for the above over-the-air broadcast television station, it is my sincere belief that the broadcast spectrum of all FCC licensed broadcasting facilities should be preserved completely by the FCC. I've read the comments filed on January 25, 2013, by International Broadcasting Network in Docket No. 12-268. I fully concur with those comments and am hereby adopting them as my own.

Most Sincerely,

Robert H. Pettitt
